**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've recently signed up with Sonic.net as it is expanding into Berkeley. I chose Sonic because the other competitors were overpriced and underdelivering. I also want to support alternate sources for the internet.

I am looked for competitive alternatives that improve the quality of service and reduce the costs for my home based business.

I ABSOLUTELY support regulation that strengthens services and competition in the marketplace. Deregulation does absolutely none of that.
